NOTES :

OUR PARTNER BRANDS

Detpak

Some of the most recognised brands choose to work with Detpak to develop customised packaging solutions. Major brands like KFC, McDonald's, Burger King, Starbucks etc know that when they work with Detpak, they benefit from their extensive production expertise and know-how, market responsiveness, and innovation. With a global manufacturing footprint, they're able to mitigate risks, and direct manufacture to the most efficient location.

**NIPPON
FOODPAC**

Chuk is a group of passionate individuals who believe that our everyday work can make a huge impact on our community, our planet and us. They work in organised structures rather than hierarchy. They innovate to solve environmental problems, use zero fossil fuels in production. They want to reduce garbage, replace plastics with non-toxic alternatives, and make the Mother Earth do a little dance as she gets cleaned up.

It is very likely that the changes in the global ecosystem will continue well into the future , and for that it is very necessary to adopt sustainable practices and sources , that is why they take utmost care and make sure that every source of raw material and process is a sustainable one.

They create Food and Beverage packaging that not only protects the food but also serves better in a more reliable and environment friendly manner.

Established in the year 1995, Hotpack has been a leader in providing solutions for Food Packaging. We have been pioneering the efforts to manufacture and distribute packaging products for a variety of industries that include consumer packaged goods, Retail, Hospitality, Healthcare, Pharma and Construction. In a very short span of 26 years, we have become the largest manufacturer in the region for diversified products that include paper, aluminum and plastic. The operations include 12 manufacturing plants having more than 2 Million Sq.ft. of manufacturing area with state-of-the-art equipment and logistics & warehousing support.

Arrowpack is our homegrown brand specifically targeted at catering to customised cartons, cups & corrugated product requirements. We analyse the requirement and provide a solution based on the assessment delivering customer requirements.

With Arrowpack we constantly strive to put our ideas into action. R&D is at the heart of our brand and we take this passion of ours to create some innovative products which simultaneously solves problems too.
